

MTI BUSINESS **SERVICE PLANS**

Service agreements:

Service Agreements are streamlined to help your company budget your IT needs. Our service agreement options include pre-scheduled maintenance & emergency hours to handle all your IT needs. An account manager will keep track of the hours utilized by your company; at the end of each service cycle you will receive a snapshot of services provided by MTI during that particular cycle.

*6 Month & 1 Year Service Agreements Available

1 Year Agreements Starting At:

5 Hour - \$490 (\$98/hr)

10 Hour - \$890 (\$89/hr)

20 Hour - \$1660 (\$83/hr)

35 Hour - \$2765 (\$79/hr)

50 Hour - \$3650 (\$73/hr)

***Block-Time Purchases:**

Block-time purchases are great for companies who have a specific IT project in mind i.e. a server migration, but are not looking to sign an agreement. With block-time purchases you purchase only the time you need. Block-time hours are good for 6 months from the date of purchase and allow for a price break in the standard hourly rate.

Block Time Options:

10 Hour - \$1020

20 Hour - \$1800

30 Hour - \$2550

50 Hour - \$4050

***Block- Time Purchases are not available for programming services, cabling and other custom projects. A project bid will be submitted based on initial consultation for all programming services, cabling and other custom projects.**
